

<p>In LITERACY this term we are learning to-</p> <p><u>Writing</u></p> <ul style="list-style-type: none"> - write poems inspired by the outdoors and the book 'Forgotten words' - write a science report - complete a form correctly - write a mock CV linked to the transition to high school <p><u>Reading</u></p> <ul style="list-style-type: none"> - to read a range of non-fiction texts - to use non-fiction books to collect information - sort information under different headings - understand the different features of non-fiction texts <p><u>Listening and Talking</u></p> <ul style="list-style-type: none"> - Use tone and body language to be expressive - Buggy Malone - Speak clearly and audibly - Buggy Malone - Evaluate others performances and explain their reasoning - Listen to one another's thoughts and opinions and understand what it means to compromise (circle times) 	<p>In NUMERACY AND MATHEMATICS we are working on:</p> <ul style="list-style-type: none"> - Adding and subtracting using negative numbers - How to represent probability in figures - Calculating perimeter and area of a shape - Calculating angles in a triangle - Reading and evaluating data in charts including line graphs, pie charts and bar graphs <div data-bbox="994 592 1238 730" data-label="Image"> </div>	<p>In HEALTH AND WELLBEING ...</p> <p>P.E will take place on a Monday and Thursday. Pupils must bring appropriate kit on these days. The focus this term is on athletics. We will be learning different skills such as running, throwing and jumping.</p> <p>Primary 7 will also be taking part in Bikability for 4 weeks and skiing at Hillend for 6 weeks.</p> <p>As part of the Edinburgh 'Building Resilience' scheme we will be learning about the benefits of getting active on not only our bodies but also our brains. . We will be encouraging children to have a go at something new.</p> <p>We will be covering the Keeping Ourselves Safe programme which encourages children to evaluate different scenarios and think how best to react.</p>
<p>Our INTERDISCIPLINARY LEARNING TOPIC this term is...THE JOHN MUIR AWARD. We are hoping to earn this award by getting outside and exploring the green spaces in the community. We will be playing games, creating art and doing some writing to help us 'explore' the area. We will then 'discover' the area by identifying plants and animals and doing plant/tree surveys. Finally we will 'conserve' the area by planting seeds and doing a litter pick. The details of how we complete the award will be decided by the class as we work through it. We are all very much looking forward to getting out and about this term!</p> <p>The award will sit alongside our science learning for the term. This includes;</p> <ul style="list-style-type: none"> - Structures of the earth - Renewable energy 	<p>OTHER LEARNING AND WIDER SCHOOL LIFE...</p> <p>This term we are putting on a production of Buggy Malone. P7 will be learning a script, songs and dances as part of this. We will also be engaging in art as we create our set, props and costumes. We are very lucky to have both Mr Briggs and Mrs Martinez supporting us with this.</p> <p>French and Mandarin will continue this term.</p> <p>In RME we will look at 'My personal Passport' which invites children to consider their own beliefs and the beliefs of others.</p>	<p>OTHER NEWS AND REMINDERS..</p> <p>10th May - class and young scot photos</p> <p>14th May - storytelling festival</p> <p>8th June - Sports Day</p> <p>18th June - End of Year assembly</p> <p>19th 20th 21st June - High school visit days</p> <p>26th June - Buggy Malone performance to parents</p> <p>28th June - P7 leavers disco</p> <p>29th June - P7 leaver assembly</p>
